**World Asthma Day 2014: May 6**

World Asthma Day is an annual event organized by the Global Initiative for Asthma (GINA) to improve asthma awareness and care around the world.

World Asthma Day 2014 will take place on Tuesday, May 6, 2014 around the theme "You Can Control Your Asthma." GINA will also encourage organizers to use the sub-theme, "It's Time to Control Asthma," introduced in 2013 by completing the sentence, "It's Time to..." as relevant to their event and target audience.
